Title: Helping build a better World through Sustainable Solutions

Abstract:

In 2023, virtually every market and every major company has a focus on Sustainability. Univar Solutions, as a global leader in chemical and ingredient distribution, and the Coatings industry at large, are no different. The goals of this presentation include:

- ✓ Univar Solutions' goals as a company around Sustainability
- ✓ Sustainability through the lens of Coatings
- ✓ Specific opportunities for customers related to Products Portfolio and Essen Center of Excellence.

We are committed to leveraging our portfolio of sustainable solutions to support our customers' sustainability journeys. Today. Tomorrow. Together.
